DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. (3rd May 2017).

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

A dog is not eligible for entry in Variety Classes unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this Regulation are:- From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class have been suspended.

- (1) A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed;
- (2) A dog in Any Variety Field Trial or Working Trial Class;
- (3) A dog in Any Variety Veteran Class;
- (4) A dog in Any Variety Champion Class;
- (5) As provided in Kennel Club Definitions of Classes;
- (6) A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge;
- (7) A dog in Good Citizen Scheme Classes;
- (8) Exhibits bred by the scheduled breed Judge.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

- (1) **Withdrawal:** The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.
- (2) **Transfer:**
 - a. If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height or, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.
 - b. For an exhibit entered incorrectly in a Minor Puppy class, Puppy class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty-four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open class for the correct breed, colour, sex, weight or height.
 - c. For any reason, other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
 - d. If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

MINOR PUPPY For dogs of six and not exceeding nine calendar months of age on the first day of the Show.

PUPPY For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

JUNIOR For dogs of six and not exceeding eighteen calendar months of age on the first day of the Show.

GRADUATE For dogs which have not won a Challenge Certificate or four or more First Prizes at Championship Shows in Graduate, Post Graduate, Minor Limit, Mid Limit, Limit and Open classes, whether restricted or not where Challenge Certificates were offered for the breed.

LIMIT For dogs which have not become show Champions under the Kennel Club Regulations or under the rules of any governing body recognised by the Kennel Club or won 7 or more First Prizes in all at Championship Shows in Limit or Open Classes confined to the Breed, whether restricted or not at Shows where Challenge Certificates were offered for the breed.

OPEN For all dogs of the breeds for which the class is provided and eligible for entry at the Show.

ANY VARIETY NOT SEPARATELY CLASSIFIED For breeds of dog for which no separate breed classes are scheduled.

SPECIAL YEARLING For dogs of six and not exceeding 24 months of age on the first day of the Show.

Rules and Regulations continued

14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
18. **DOGS IN VEHICLES ON HOT DAYS:** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight.
 - There should be plenty of free-flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition entries not accepted.
20. No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
